We opt for:

A. Basic membership - € 1.145,- per year.

In this variant, an entrepreneur is a reading-only member. No participation in section meetings, but participation in membership meetings. One-time registration fee € 225,-.

B. Premium membership (incl. 1 section) - from € 3.795,- per year.

The association rates for premium membership have a differentiated structure and depends on number of FTE, the choice of the number of sections and possible projects within a section. One-time registration fee € 450,-

The undersigned agrees with the processing of the company and personal data, for the implementation of
 (1) the membership agreement;
 (2) the membership obligations that apply from time to time;
 (3) to facilitate the representation of interests and for the purpose of advising;
 (4) for making all sorts of expressions to the undersigned by Federatie Veilig Nederland.
